

Kara Hilburger and Jordan Fischer to Present at SecureWorld Atlanta

Beckage Data Security & Privacy Compliance Team Leads Kara Hilburger and Jordan Fischer, will present at SecureWorld Atlanta – 20th Annual Cybersecurity Conference, on May 25, 2022, at the Cobb Galleria Centre.

Kara's panel, 'Best Practices for Developing an Enterprise-Wide Approach to Data Security & Privacy Compliance' takes place at 10:40 a.m.

At 11:30 a.m., Jordan will moderate a Fireside Chat with members of the U.S. Secret Service in a session entitled, 'BEC Attacks, Crypto, and the Investigative Powers of the Secret Service.'

Jordan is also leading a multi-part [PLUS Course] on May 24th from 9:00 a.m. to 3:00 p.m. entitled: 'Privacy & Security by Design & Default: Understanding the Convergence of Law, Policy & Technology.' [PLUS Course] is available to SecureWorld Plus Pass members and features an overview of general privacy and security legal and policy principles, as well as hands-on exercises.
